Fellowship Nomination Form

Fellowship of Indian Concrete Institute will be granted on a selective basis. The nomination form will be scrutinized on the basis of contributions and background of individual in the field of cement & concrete technology and concrete construction. Nominee should have served field concerned with concrete with concrete as a known expert. He can be researcher, teacher, designer or construction technologist, in any one area of specialization, which are listed under heading 1 on the page 2 of this form. Consideration will also be given (though not necessary) to the services given to ICI. The nominee/supporter may be required to produce additional information/clarification or documents if required for adequate evaluation. The Governing Council of ICI grants fellowship only on approval. Please send this form duly filled to the headquarters of ICI. Nominee should fulfill any one of the following criteria A,B,C or D as minimum eligibility requirement.

- A. Person who has immensely contributed to cement concrete - construction / technological developments / research / literature & book writing. OR one who has immensely contributed in development of ICI.
- B. Nominee should have attained an age of 45 years and should have been a member of ICI for at least 10 years. He should have 15 years of experience in fields of cement or concrete with technical involvement. In exceptional cases the number of years & age can be relaxed by 5 years. Exceptional & outstanding persons, well known nationally may not enclose the details on separate papers.
- C. Holding post of Professor (or equivalent), teaching and guiding research related to concrete Or having Ph.D. in concrete related subject. Having 5 years of experience with technical developments in fields of cement or concrete, with technical involvement. Member of ICI of at least 5 years.
- D. M.E. / M.Tech, with concrete related subject, having 10 years of experience with technical developments in fields of cement or concrete with technical involvement. Member of ICI of at least 10 years.

Name of Nominee: Mr/Ms/Dr/Prof/Er
 (in Capital letters)
 Address with Pincode Pincode _____

Phone,Fax,E-mail ID etc

Existing membership type & Number

We certify that we have verified the details and are true to the best of our Knowledge. We recommend the nominee for conferring Fellowship of ICI. To be endorsed by two fellow members, giving signature, Name, ICI membership number, address and date.

1. Signature	2. Signature
Name
MembershipNo

[To be endorsed by two fellow members of ICI (or President, Past-president, Vice-president, Past Vice president), Alternately ICI centers can recommend the nominee by duly approving the case in the managing committee meeting of the center]

(For office use only)

Mr/Ms/Dr/Prof/Er.....
 Has been awarded fellowship of ICI with effect from
 by the approval of the Governing Council Meeting of ICI held on

Dated

Signature of Secretary General or President

1. AREA OF SPECIFICATION (items 4 & 6 may need to be related to the specialization indicated)

Give 3 in order of Specialization. Mark 1,2 and 3 against the specialization. [Attach documents in support]

- | | |
|--------------------------------------|----------------------|
| Concrete Construction | Equipment & Systems |
| Concrete Reinforcement | Formwork Engineering |
| Precast Concrete | Prestressed Concrete |
| Repairs, Renovation or Strengthening | Concrete Testing |
| Material Science | Concrete Composites |
| Structural Analysis & Design | Education & Training |
| Research & Development | Specialist Services |
| Any other - specify - | |

2. Academic Back Ground (Technical) :(Supporter to initial the entry or attested copy of documents to be attached.)

Name of Course	Subject Specialization	% marks / grade	Institute	Board/University	Year of Passing

3. Professional Affiliation :

Name of Body	Grade of membership/affiliation Since (years)
--------------	---

4. Experience of Technical Work : (In years, since graduation or equivalent, for each specialization.)A detailed write up on separate sheet will be helpful.

5. Contribution to Profession at large : (A detailed write up on separate sheet will be helpful)

6. Publications : Books / Papers / Reports / Monographs (Give a list of publications)

7. Recognition Awards, Honours :

8. Contributions & Services rendered for development of ICI if any :

DECLARATION BY THE NOMINEE

I hereby declared that the details furnished above are true. Clarification or additional information if asked by ICI, will be furnished.

N.B. Please attach passport size two recent photographs.

Introduction to ICI

Service of Concrete Technology & Construction

To create awareness among the construction engineers about modern concrete construction practices, an International Seminar and Exhibition on Modernisation of Concrete Practices - ISEMCC - 82 was jointly organised by the Structural Engineering Research Centre and Anna University during 21-27 January, 1982 in Chennai. It generated great enthusiasm among the participants and a resolution was adopted at the conclusion of ISEMCC-82 to form the Indian Concrete Institute.

The Institute has been registered on 7th September, 1982 as a Society with headquarters at Chennai and has been in service to the industry and professionals, since then with the following objectives.

- to promote growth of concrete construction and its sub specialisations.
- to disseminate information and to arrange to train personnel for the needs of changing concepts in the technology.
- to collaborate with national and international agencies in creating better understanding of concrete construction technology.
- to identify R&D problems of practical relevance to concrete construction technology.
- to institute and distribute awards for outstanding achievements in concrete construction technology.
- to arrange periodical seminars and exhibitions on the subject and
- to arrange annual lecture series on selected topics of relevance to concrete construction.

ACTIVITIES

Technical Programmes : During the past years the Institute conducted several seminars and training programmes on various topics related to concrete technology, recent developments in concrete construction. Large organisations avail the in-house training programmes arranged by ICI at their projects. A total of 18,000 engineers and supervisors have attended ICI seminars/training programmes so far.

The Institute has conducted a number of artisan training programme in the various building centres in Tamil Nadu and Kerala. The programme included demonstration of production of R.C.C. and ferrocement products for use in rural India.

Advisory Service: ICI operates an industry advisory service for problem solving in design, construction maintenance and repairs.

ICI-IWC : The Institute, as a part of ten year anniversary celebrations organised an international symposium, ICI Innovative World of Concrete in September 1993 at Bangalore. This event ICI-IWC has

been made a quinquennial congress of ICI and in November 1998, the second ICI-IWC was held in Kolkatta the next ICI-IWC will be held in Pune during, 2003.

ICI-ACECON : In addition an Asian Conference is also held on the theme Ecstasy in Concrete. The first conference was held during 20-22 November, 2000 in Bangalore.

Concrete Day : All over India concrete day is celebrated on 7th September each year.

Video Films: Video films have been produced on 'Concrete Construction Practices' and 'Formwork and Scaffolding' with the aid of DSIR, Government of India. In addition, Video on Concrete Reinforcement has also been produced.

ICI AWARDS : The following are the various awards presented by ICI during its Annual General Meetings at a special awards function.

ICI-Fosroc Award for the outstanding Concrete Technologists of the year.

ICI-MC Bauchemie Award for the outstanding concrete structure.

ICI Maharashtra Centre Award for the best paper published in ICI Bulletin every year

ICI Uttaranchal Centre Award for the innovative construction methodology presented in bulletin.

ICI Best Centre Award for best activities and performance

ICI Life Time Achievement Awards - 4Nos

One for each zone of India.

ICI-L&T ECC Lifetime Achievement Award(S)

ICI-MBT Lifetime Achievement Award(W)

ICI-JI Lifetime Achievement Award(N)

ICI-Torsteel Lifetime Achievement Award (E)

Annual Lecture

Each year with AGM an **annual lecture** in delivered by a renowned speaker.

ICI-Dr.Ramiah Endowment Lecture

The founder President of the institute Dr. M. Ramiah has instituted Endowment lecture on 'Quality in Construction'. This lecture will be delivered by an eminent concrete technologist during the Annual General Meeting of the Institute.

MANAGEMENT

The Institute is managed by a Governing Council consisting of a President, Four Vice Presidents, Secretary General, Treasurer, Elected members and Ex-officio members conforming to bye-laws of the society.
