with

# Two Day International Conference on INNOVATIONS IN STRUCTURAL HEALTH MONITORING & RETROFITTING OF STRUCTURES

**Date:**  
06<sup>th</sup> & 07<sup>th</sup>  
June 2025

**Venue:**  
Krantijyoti  
Savitribai Phule  
Auditorium,  
VJTI Mumbai

The demand for repair & rehabilitation in India is growing rapidly, driven by the ageing infrastructure, increasing urbanization, and the need for sustainable construction practices. As the country faces challenges with deteriorating buildings, bridges, and roads, repair and rehabilitation are important to enhancing their service life. The Indian Concrete Institute (ICI), Mumbai, is organizing the conference to highlight the challenges, focusing on the latest advancements, methods and products in the repair and rehabilitation sector.

construction and infrastructure

## About the Indian Concrete Institute, Mumbai Centre

The Mumbai Centre of the ICI is dedicated to disseminating knowledge on the latest trends and advancements in concrete. As one of the oldest Centre of the ICI, it focuses on organizing technical seminars, workshops, and conferences on trending topics of concrete. Through these conferences, it facilitates knowledge sharing, advocates for the exchange of expertise and encourages collaboration among concrete industry professionals, researchers, and academicians.
